

## End of Software Support for EOS 4.19

**Date:** October 2, 2019

**Last Updated:** April 2, 2020

**Software Version:** EOS 4.19

### Description:

The Arista EOS Life Cycle policy defines a 30 month lifecycle (updated to 36 months as of 01/01/2020) for each major release train. The EOS 4.19 software train will reach the 36 month timeline on September 1st, 2020 . At that time, EOS 4.19 will be considered End of Support with no further official software support on this version from Arista. This notice is intended to serve as a reminder of this upcoming event. Customers running EOS 4.19 should work with their Arista sales team to discuss possible upgrade options. In addition, a general EOS upgrade recommendation can be found at: [Software Downloads page](#).

For more information about Arista's EOS/EOL policies and/or to obtain an explanation of terms used in this announcement, please refer to the Arista Product Life Cycle Policy available in the Customer Support section of Arista website: <https://www.arista.com/en/support/product-documentation/eos-life-cycle-policy>.
