

Arista Networks announces the upcoming end of sale for the DCS-7300-SUP Series.

Customers with active support contracts for 7300X products will continue to receive support from Arista TAC (Technical Assistance Center) as long as the systems remain covered under a support contract and the dates listed in Table 2, the End-of-Life Milestones.

The products and part numbers covered by this announcement are listed below in the Table 1. The last day to order the affected products is planned for 01 April 2023.

Customers with active support contracts for DCS-7300-SUP Series products will continue to receive support from Arista TAC (Technical Assistance Center) as long as the systems remain covered under a support contract and the dates listed in Table 2, the End-of-Life Milestones.

Migration Options

Customers affected by the End of Sales are encouraged to plan a migration to models that provide equivalent functionality or higher performance. The Arista DCS-7300-SUP2-D Series should be considered as alternatives depending on the nature of the networking requirements.

Affected Product	Description	Replacement Products	Description
DCS-7300-SUP DCS-7300-SUP-D	Supervisor module for 7300 Series chassis (& SSD)	DCS-7300-SUP2-D	Supervisor-2 module for 7300 Series chassis, SSD

Table 1: Affected Products and Part Numbers

Alternative products with enhanced functionality and increased scale are also available. Customers are requested to contact Arista sales for additional information on these alternatives.
